MEMORANDUM FOR: General Counsel
Acting Personnel Director

1. The CIA Career Service Board, at its 11th meeting on 22 October 1953, approved the following portions of the Legislative Task Force Report:

Tab C - Allowances to Agency Officers and Employees
for Education of Minor Dependents

Tab D - Liberalized Retirement System for CIA Employees

2. The Board will recommend to the Director that the conclusions reached in Tabs C and D become the basis for Agency action to accomplish the programs outlined in these two reports. On the assumption that the Director will accept these recommendations, it is believed that your office should promptly undertake the work necessary to accomplish the specific tasks which are assigned under the "Recommendations" contained in Tabs C and D. These tasks involve the drafting of appropriate legislation by the General Counsel, and the development by the Personnel Office of justification and data adequate to support the legislative proposal. For additional reference, please consult the minutes of the Board's meeting.

3. Please forward to this office not later than 13 November 1953 completed materials covering the assignments mentioned above.
